**OCOM, 17 Years OEM/ODM Experience,
Trusted by Fortune Global 500 Companies.**

OCOM is a China National High Technology Enterprise, recognized as a leading one-stop supplier for POS related hardware and trusted by Fortune Global 500 companies.

Our comprehensive product portfolio includes POS Machines, Thermal Printers, Barcode Printers, Barcode Scanners, Cash Drawers, and a range of other POS Peripheral hardware. These products find extensive application in retail, restaurants, lottery, banking, transportation, logistics, and various other sectors. Our commitment to quality is reflected in our ISO, CE, FCC, RoHS, BIS, Soncap, POA, and other essential certifications.

Established in June 2007, OCOM has been dedicating to pursuit premium technological innovation, constantly enhancing the product and service to deliver more advanced and dependable solutions to our customers. Through a combination of independent development and collaborative research efforts, we have secured an array of patents and introduced a string of high-tech products with a strong competitive edge, significantly increased market share. We proudly serve over 3,000 customers across 165 countries, including 50 of the largest distributors in their respective regions. Our customers include famous brand such as Unilever, O2, and Star Micronics etc.

OCOM's mission is to be the compelling choice for our partners, based on our "Three Basic Beliefs-Integrity based, Strive for excellence, Win-win cooperation", We are dedicated to building stable and reliable partnerships with customers worldwide. We welcome OEM/ODM collaborations and are eager to explore how we can work together to achieve greatness.

Together we quest for the best.

Together We Quest For The Best
